SCOTTI'S ORIGINAL SPRINGS®

PRIVATE STOCK

A limited production, double-barrel bourbon not available year round

The Whiskey Advocate says, "Barrel-proof whiskey – which has no additional water added before bottling – consistently delivers big, bold aromas and flavors."

Full mouth feel with layers of vanilla and cocoa, a hint of white pepper and black licorice, and a lingering bold finish of sweet chocolate and caramel.

Three-year aging with rich characters of a much older bourbon

ORGANIC CALIFORNIA YELLOW CORN	**65%**
ORGANIC CALIFORNIA RYE	**25%**
ORGANIC CALIFORNIA PURPLE BARLEY	**10%**

Scotti's Original Springs® Private Stock is a limited production, double-barrel bourbon that builds on the brand's initial 2021 release: ***Scotti's Original Springs® Straight Bourbon Whiskey***.

To augment the flavor, the bourbon was aged for one year in a new, charred American white oak barrel and then aged two years in a 4-year-old Rittenhouse Rye barrel.

No water was added during the bottling process to keep the bourbon in its purest form and bring out the most intense flavors and aromas possible. As a result, ***Scotti's Original Springs® Private Stock*** is barrel strength at 63% ABV.
